ABOUT DEEKSHA

Deeksha has created a distinctive, stress-free educational approach that has positively impacted the careers of thousands of students. Deeksha Hyderabad, led by Dr. Ravi Chandra Reddy Sura is committed to meeting the diverse needs of its students.

Drawing inspiration from the legacy of IIT Guru Chukka Ramaiah garu, along with a strong family tradition in education and extensive international experience, Dr. Sura expertly designs a comprehensive curriculum aimed at fostering student success while alleviating the pressures often associated with traditional educational methods.

TRIPLE INTEGRATION APPROACH

At Deeksha, we believe that a nurturing environment is paramount for students to achieve academic excellence. Our holistic approach focuses on the overall development of each child, encompassing their physical, emotional, and social well-being.

Our approach incorporates these three key elements:

Care:

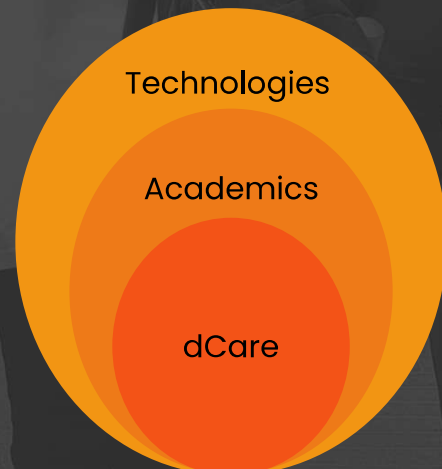

We prioritize the well being of our students, offering programs that promote physical and mental health.

Academics:

We are committed to ensuring that our students are thoroughly prepared for their board exams and competitive exams.

Technology:

We leverage technology to enhance the learning experience, making it more engaging and effective.

By seamlessly integrating these elements, Deeksha fosters a supportive and nurturing environment where students can thrive academically and personally.

Highly Qualified Faculty and Premium Study Material

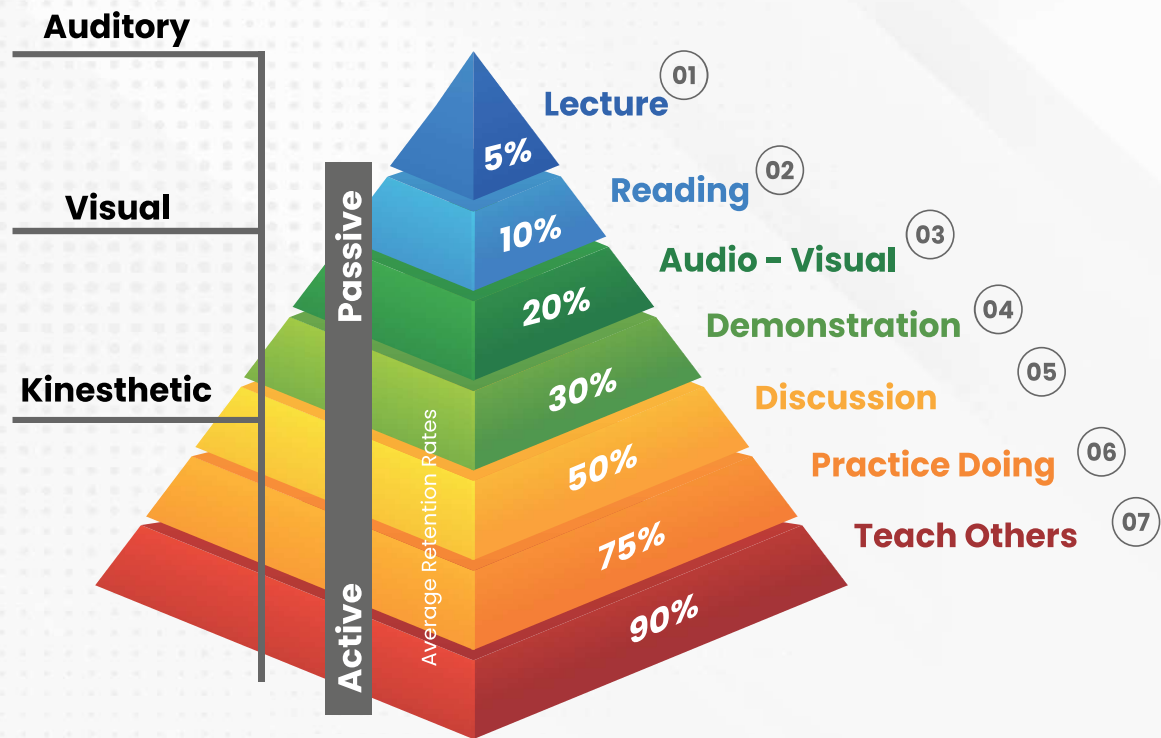

Our esteemed educators, selected through a rigorous five-step process, undergo extensive training and create high-standard study materials tailored to student needs.

Technology-Enhanced Learning

Our audio-visual learning environment fosters interactive sessions, enhancing engagement and retention, thus enriching the overall learning experience.

UNIQUE ACADEMIC APPROACH

At Deeksha, our innovative learning pyramid refinement approach is a dynamic educational model that prioritizes foundational knowledge and progressively builds upon it. Starting with a solid base, learners ascend through increasingly complex concepts and skills, fostering deep understanding and retention. This method encourages active engagement, critical thinking and mastery at each level.

Expert faculty, extensive experience and premier qualifications ensure unparalleled educational excellence.

Extended working sessions with senior faculty for doubt clarification and improve problem solving skills.

Digital content in each classroom displays conceptual videos for easy, in-depth understanding.

Active learning fuels retention students immersed in hands-on experiences grasp concepts deeply.

Engaging slow learners with interactive, differentiated & varied multisensory teaching methods.

Teaching others boosts retention, fostering active learning and deep understanding.

NURTURING SUCCESS OF EVERY CHILD THROUGH... dCARE INITIATIVES

At Deeksha, we place children's well-being at the forefront of our mission. Our dCARE initiatives empower students to excel in all aspects of life, promoting holistic development and paving the way for their success.

- **dCARE Parenting**

Every student is assigned with a dedicated dCARE Parent (dP), who monitors their goals, aspirations and progress. This personalized approach ensures comprehensive wellness and individualized attention for every Student.

- **dLife (Deeksha for Life) Program**

Our trained dLife Facilitators engage with students periodically focusing on essential life skills and providing academic and career guidance. This initiative is designed to build confidence and equip children for future challenges.

- **dSTA (Deeksha Something to Think About) Videos**

We feature motivational and inspiring 2-minute videos aimed at fostering emotional intelligence and instilling a sense of responsibility in our students.

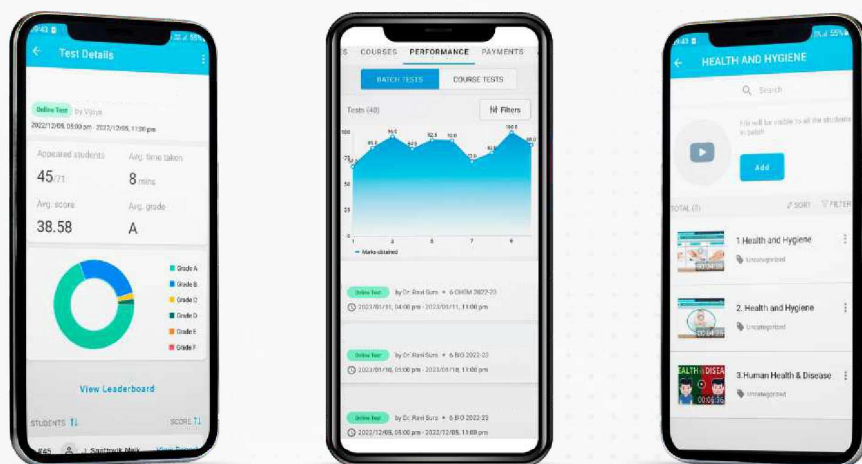

- **Extracurricular Activities**

At Deeksha, extracurricular activities play a vital role in our students' development. Key events include the Cultural & Literary Festival, Freshers Sports Fest, and Annual Day, providing a well-rounded educational experience.
